10th November 2017

Dear Parents/carers

Some of our pupils have been identified as having nut allergies, and are prescribed epi-pens or similar which are held at school. As you will be aware nut allergies can be dangerous resulting in death in the most extreme cases; some children can be so susceptible that any contact with nuts, through smell or touch, can bring on anaphylactic shock.

To safeguard all our children Bishop Creighton Academy is a 'nut-free' school in relation to lunchbox contents and other food brought in to school. We are requesting your support and understanding of this requirement. Please check all foodstuffs, including sandwich spreads, peanut butter, nutella, cereal bars, cakes etc. and send an alternative.

This also applies to packed lunches to take on school trips and cooking in the classroom.

May we also ask that no nut products are used in any cakes, chocolates or sweets sent into school for fundraising or for your child's birthday.

If this request causes any difficulties, please can you come and speak to us, in order that we can discuss the matter further.

Yours sincerely

Mrs. V Redhead
Principal

Part of the Greenwood Dale Foundation Trust Group of Academies
