

POW!
In literacy we will focus on fiction from our literacy heritage, with the classic story of the Iron man. This will help us apply a range of figurative language in our writing, including personification. We will also be writing recounts using the correct layout.

In Numeracy we will be learning to identify numbers up to 1,000,000. Focusing on Place value, addition and subtraction; using written and mental methods. We will also be focusing on statistics.

In Science we will be learning about earth and space. We will look at how day and night is formed as well as the earths and moons orbits. We will investigate insulation as well as exploring evaporation and condensation.

In Computing we will be learning to code. We will explain what coding is. We will create a program with an object that repeats actions. As well as create a program that responds to the 'if' command.

Out of this world

In PHSE we will be looking at health and well-being pupils should have the opportunity to learn: what positively and negatively affects their physical, mental and emotional health and 'balanced lifestyle'

In History we will be looking at the history of space travel. Creating a timeline and linking back to events we know. We will continue to develop a chronologically secure knowledge and understanding of British, local and world history.

In Music we will be using the solar system as inspiration. This unit embarks on a musical journey through the solar system, exploring how the universe inspired composers including Debussy.

In PE we will be learning;
Indoors: Circuits
Outdoor: Invasion games and tag rugby

In Art we will design a logo for a spaceship. We will be creating an out of this world painting. As well as looking at designing and making a soft sculpture of an 'alien'.

In MFL we will be learning French. We will learn how to greet each other, how to say our names, ages and our favourite colours.
