

In Communication & Language we will be developing our listening and attention skills by responding appropriately to what others say.

We will follow instructions involving several ideas or actions. We will answer 'how' and 'why' questions about our experiences and in response to stories or events.

In Physical Development we will move our bodies in response to different music. We will develop our handwriting and pencil control to form our letters neatly and begin to learn that we write on a line.

Children will continue to access the outdoor provision on a daily basis to develop their gross motor skills and coordination.

In PSED we will learn to take care of living things. Through circle time we will share our thoughts and ideas with others and develop our questioning.

As we prepare for our transition to Year 1 we will reflect on our first year at school and begin to talk about the changes that will take place and what we are looking forward to.

In Literacy we will consolidate our knowledge of Phase 3 sounds. We will be blending and segmenting words both orally and from print. We will read and discuss simple sentences looking out for our tricky and high frequency words.

In writing we will continue to write simple sentences about a range of interests. We will also write lists, labels and captions.

A Ticket To Ride!

In Expressive Arts & Design we will be using percussion instruments we will make sounds to accompany a story.

We will be using a range of media to design and make vehicles. We will explore a range of ways to join two or more materials.

In Mathematics we will consolidate our numbers to 20 by counting and ordering numbers. We will learn simple doubling and halving. We will use everyday language to talk about size, weight, capacity, position, distance, time and money. We will use mathematical language to describe shapes.

In Understanding the World we will be learning about transport from long ago and comparing it to transport now. We will talk about holidays and places we have visited around the world. We will use Google Earth to travel the world and think about what it would be like to visit space!

We will explore the traditions around welcoming a new baby into a family and how different religions celebrate marriage. Using IT we will consolidate our use of Paint 3D to build simple scenes. We will also use Purple Mash to record traffic surveys

Our Core Values

- Courage
- Responsibility
- Compassion
- Respect
- Fairness
- Wisdom
