## Superhero Graduation – Year 2 & 3

Dear Parents/Carers

Years 2 & 3 have been working with Kamal Ellis-Hyman, founder of 'Aim A Little Higher', for the last six weeks on the 'How to be a Superhero' character development programme. Each week they have explored the following character-based themes through a video link from Kamal and Storme and a follow-up activity in their Superhero booklet:

- \* Bravery
- \* Resilience
- \* My Superpower
- \* Communication
- \* Kindness
- \* Focus

As a celebration for their hard work throughout the programme, we would like to invite parents/carers to attend their 'Superhero Graduation' on **Thursday, 16 March**. The graduation will be led by Kamal and take place in the hall at **10.30am** and will last approximately 30 mins. Due to space in the hall, places are limited to 2 parents/carers per child. Please can we ask that you reserve your seat (there is no charge for booking your seat) on [www.parentpay.com](http://www.parentpay.com) by 3pm on Wednesday, 15 March and that you arrive by 10.25am so that we can start at 10.30am.

Children are invited to dress as their favourite Superhero or to wear a cape for the day (a cape could be made by cutting a large t-shirt as pictured and decorating it).

We look forward to celebrating every child's success as part of this wonderful programme.

Kind regards

K Baldock L. Baxter
