March 2024

Year 5 Planetarium Dome Experience and Workshop

Dear Parents/Carers,

We are delighted to share that we have arranged for the inflatable planetarium to visit Bishop Creighton Academy on **Tuesday 23rd April 2024** to expand on learning in Year 5's current science topic: Earth and Space and bring it to life.

The children will have great fun visiting the planetarium dome and have a unique experience watching the 360-degree film all about the planets, constellations, night and day and the phases of the moon. After visiting the dome, children will have the opportunity to talk with the planetarium instructor and ask questions. Year 5 will then take part in an instructor-led workshop about inter-planetary space travel and experiment with creating asteroids.

In order for the Academy to accommodate this visit, we are asking parents to contribute £5.00 towards of the cost of this educational visit. This can be done on www.parentpay.com. Please note that if we do not receive sufficient funds the visit may be cancelled. **(Please be advised if your child is absent on the day of the visit this cost is non-refundable.)**

Please complete the slip below and return it to the class teacher along with your online payment by Thursday 18th April 2024.

Thank you for your continued support.

Yours sincerely,

Miss Hewitt

Year 5 Class Teacher

Year 5 Planetarium Dome Experience and Workshop

I give permission for my child to participate in the Planetarium Dome experience and workshop

- ☐ I have paid my contribution on www.parentpay.com

Signed: (Parent/carer)
