Bikeability Level 1 Cycle Training – Years 3 & 4

Dear Parents/Carers

Bikeability is the government's national cycle training programme, aimed at equipping children with the skills and confidence to ride a bicycle.

We are delighted to be able to offer Level 1 training to all children in Years 3 & 4, delivered by qualified 'Outspoken' trainers. This course is held on the school playground and will take place on Thursday 1st May. Children will complete this in small groups during the day.

In order for your child to take part, you will need to complete and return the attached paper consent form by **Monday 3rd February** at the latest. The training is free, with places allocated on a first-come basis.

Children need to be able to ride a 2-wheeled bike and require a suitably fitting cycle helmet to take part. The course will continue whatever the weather, so please send your child with warm and waterproof clothing. Children may wear their PE kit (with tracksuit bottoms) on this day.

Please do not hesitate to speak to me if you have any questions about this cycle training.

Kind regards,

K Baldock

Mrs K Baldock
Interim Head of Academy
