Dear Parents/Carers,

PSHE/Relationship and Sex Education (RSE) Consultation

As a part of your child's educational experience at Bishop Creighton Academy we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future.

From September 2021, Relationships, along with Health Education, became statutory, forming part of the National Curriculum. The DfE continue to recommend that all primary schools should have a sex education programme tailored to the age and the physical and emotional maturity of the pupils.

We hope that consulting with you will help to inform our schools' decisions on when and how certain content is covered and enable us to reach a general consensus. Consequently, as part of our curriculum review we would appreciate your views on our Relationships and Sex Education (RSE). The consultation will run for **4** weeks.

Our proposed policy can be viewed here. [Bishop Creighton Academy - PSHE inc RSE](#) Please be advised, there are no significant changes other than a more specific approach to the right to withdraw aspect.

Your views are very important to us. Having read our policy, please provide us with any views or thoughts via email to admin@bishopcreightonacademy.org marked for my attention.

Thank you for your continued support.

Kind regards,

Mrs V Redhead
Executive principal
